

FIRST UNITARIAN CONGREGATION OF OTTAWA

This document will help you connect with any of the groups and activities in our Congregation.

Please Note: Most groups/activities invite you to drop in to see if they might be right for you. However, some (**marked with ***) have prior requirements or need pre-registration, and ask you to call the contact before you attend.

This document is prepared and maintained by volunteers like you. To request an electronic copy or to give updates and corrections, please contact: gettingconnected@firstunitarianottawa.ca

An Activity for Everyone

Why might you consider volunteering or getting involved in groups or activities within our Congregation? Your motivations are as unique and personal as your spiritual beliefs and practices, but one of the great strengths of our religion is that the diversity of member motivations is matched by the opportunities available for members to find what is valuable for them.

Your very personal needs or desires might lead you to look for groups or activities that foster:

- a sense of belonging,
- opportunities for spiritual growth,
- positive action to better our communities, country, and the world,
- personal sharing and close relationships with others,
- active sharing through music, work parties, or organization of events,
- intellectual growth through study, reading, discussion, meditation, or lectures,
- the development of new friendships,
- chances to truly make a difference in the world we all share.

If any of these hit a chord, please look through the wide and varied opportunities described in this brochure. You may be surprised at the depth and breadth of what goes on in our Congregation outside of Sunday worship. Don't hesitate to make contact and find out more – there's never any obligation and you may find a perfect match for your personal journey.

How to Find a Group or Activity

Our groups and activities fall into eight general categories. Although any group may, in fact, fit well into more than one category, we've chosen what we believe is the best fit to simplify this listing. The categories are:

- Fundraising
- Internal Services
- Liaison
- Music
- Operations
- Outreach
- Self-improvement
- Social

On Page 2 is an **index** of all the groups and activities within each of the **categories**. The **descriptions** of the groups and activities are listed alphabetically within each category starting on Page 3. The **contacts** are listed in alphabetical order of the group/activity names.

Fundraising

Fall Fair (Holly and Lace Bazaar)

This is the largest single fundraiser for our Congregation each year. We need people to collect materials, organize, publicize the event, set up, sort, bake, price, make, serve, sell, and clean up. Most of the work is done the week before the Fair.

Service Auction (Time and Talent)

Members and Friends of the Congregation offer their time, talent, or interests in an annual auction to raise money for the Congregation.

Internal Service

Artspace

Artspace arranges for Members and Friends to display their art works in the Lounge for specific periods.

BookShelf

Select, obtain, and sell a wide range of books appropriate to our UU Principles. There is an organizing committee of 8 and over 40 volunteers who staff the BookShelf.

Caring Committee*

We encourage and nurture a caring network in the Congregation. Our volunteers provide occasional transportation, phone or make personal visits to people who are ill or house bound; send caring cards; prepare casseroles for people in emergencies; and organize memorial receptions for Members and Friends.

Congregational Relations Committee

The committee promotes awareness of the Congregational Covenant and assists members and friends who have concerns

with other members, friends or staff to resolve their problems in an effective healthy way. We have a pool of people who will facilitate the process as required, after the concerns are triaged by the contacts.

Friends of the Meditation Garden

We recruit members and friends to participate in caring for the Meditation Gardens during the growing season. For the past two years, we have organized spring and fall clean-ups, as well as work parties for routine maintenance and new projects, under master gardener Renee de Vry's leadership. We also created "Renee's Walkabouts" – a series of garden tours open to all members and friends who want to learn more about the plants and living creatures in the gardens, from birds to insects.

Green Mug Table (Sunday)

Visitors and newcomers are invited to join us for coffee after worship and to use a green mug so Members and Friends will recognize them as new and greet them. Our volunteers staff the Green Mug Table, offer friendly conversation, and look for others to whom the visitors may be introduced.

Greeters (Sunday)

Four people are needed for each Sunday service to prepare the handout materials, greet people as they arrive for worship, act as ushers, and provide a tour of the facility. Training is available.

Hospitality Hour (Sunday)

We recruit volunteers for Hospitality Hour; maintain and distribute how-to information; publish a schedule of volunteers; monitor and mentor Sunday Hospitality Hour activities; and stock supplies, including Fair Trade beverages and sugar. Our volunteers lay out tables and prepare beverages and snacks in Fellowship Hall before Sunday service; bring perishable supplies and baking or other snacks; serve refreshments following the service; and clean up and tidy the kitchen following Hospitality Hour.

Kitchen Care Working Group

Volunteers oversee the four kitchens and help out with maintaining them.

Memorial Receptions

The Caring Committee will occasionally provide a reception after a Memorial Service for a Member or Friend of our congregation. The food may be catered or we may provide sandwiches, baking, fruit or vegetable trays, and beverages. Volunteers help in setting up, serving, and cleaning up Fellowship Hall. We call on our helpers only a few times a year, but their assistance is truly appreciated.

Our Whole Lives (OWL) Facilitation Committee

The Our Whole Lives (OWL) Facilitation Committee meets monthly from September through June to ensure that the OWL sexuality education program is an ongoing part of the church's ministry. The Committee is responsible for seeking, supporting, recognizing and appreciating OWL volunteers, for advocating on behalf of the Our Whole Lives program and for obtaining and caring for OWL books and supplies.

Religious Exploration (RE)

First Unitarian's Religious Exploration programming seeks to provide safe and caring spaces on Sunday mornings in which the spirit of children and youth can flourish. We strive to create a nurturing atmosphere and a place of belonging for young people to grow in community. Our intention is guide them in developing inner peace, wisdom, an understanding of the world around us, and the desire and ability to act in its best interest.

Religious Exploration Committee

With the guidance and leadership of the Director of Lifespan Learning, the RE committee supports our Children's Ministry. The committee meets monthly to discuss issues related to the operation of our children's programming. These issues include special events planning, communication with parents/congregation, safety and special needs issues, fundraising, and much more. All volunteers working with the Children's Ministry are encouraged to view their participation as a form of spiritual practice.

Spiritual Care Visitors*

Volunteer Spiritual Care Visitors visit members and Friends of the Congregation who ask for or who are thought to need support. They help people to make their own decisions and clarify their own choices. They are not professional counsellors but may make referrals to the Parish Visitor Coordinator and to the ministerial staff. Volunteer Lay Spiritual Care Visitors are members of the Congregation who have completed the Parish Spiritual Care training.

Worship Associates

The Worship Associates program offers Members an opportunity to participate in shaping and delivering a worship experience. Each Associate works with the minister to develop and participate in several services during the church year. Worship Associates' participation during Sunday worship is a testimony to our community's commitment to direct congregational involvement in the worship and the liturgy of the church through preaching, readings, story telling, drama, dance, and music.

Youth Programming Committee*

The Youth Programming Committee is responsible for guiding and supporting the youth program in the church. This guidance comes through support for the activities of the Youth group, through advisors and allies; and by enhancing communication between the youth and the congregation.

Liaison

Canadian Unitarians for Social Justice Liaison

CUSJ provides opportunities for Unitarians to apply their religious values to social action aimed at the relief of: 1) poverty and economic injustice; 2) discrimination based on religious, racial or other grounds; 3) abuses of human rights; and 4) abuses of the democratic process. See www.cusj.org for more information.

Ottawa West Community Support Liaison

Ottawa West Community Support is a non-profit organization founded and supported by a number of west-end churches. It provides services to assist the elderly and the handicapped to remain in their own homes.

Unitarian House Liaison

Unitarian House is the seniors' residence on our campus.

Music

Chalice Choir

The Chalice Choir is a group of 45 choristers. We sing twice a month in Sunday services, perform two annual church-fundraising concerts, and act as a musical outreach team to the larger community. Repertoire includes hymns, classical music, and tuneful new choral works. No audition required.

Rehearsals: Thursday, 7:30pm to 9:30pm in Worship Hall, September to mid-May.

Chamber Choir

This is an auditioned choir of 25 voices which participates in two Sunday services per month as well as annual fundraising concerts. From the Renaissance to modern-day, this ensemble prepares a variety of challenging repertoire. Rehearsals are held twice each month on Sunday afternoons.

Evening Vocal Ensemble

Providing music for two 5pm services per month, this new ensemble will tackle a variety of repertoire and musical styles. If you'd like to be involved in this exciting project, please contact us.

Friends of the Music Program

Friends of the Music Program is a group of music-loving volunteers who assist at church-sponsored concerts with ticket sales, stage managing, and post-concert receptions (set-up and clean-up). In exchange for their time, volunteers gain free admission to the concert at which they volunteer.

Gospel Choir

The Gospel Choir is a multigenerational group of 25 choristers. We sing at two Sunday services each month, and participate in the two annual church-fundraising concerts. Repertoire includes traditional spiritual and gospel music, with a smattering of world music. No audition required. Rehearsals: Sundays, 9:30am to 10am in Worship Hall, September through mid-May.

Operations

Adult Learning Committee

Adult Learning Committee meets monthly except for July to consider proposals for courses, speakers and workshops and to plan, implement, promote and evaluate adult learning programs for the congregation. For program information see Lifespan Learning Guides available in September and January. The Committee is represented on the Lifespan Learning Council and is directly responsible to the Director of Lifespan Learning.

Adult Library

We support lifespan learning by maintaining current reference and lending collections of print media to reinforce learning as a spiritual practice in our community. Our library is housed in the Lounge and is comprised of two kinds of texts and some other media: (1) Reference Library – reference materials—primary, secondary and tertiary source materials—available to anyone to sign out for research (or for classes with a longer borrowing time) and (2) Lending Library - a fully accessible collection of media including archived classics which can be borrowed up to 2 weeks. Simply sign out the book you want and return it for others to use when you are done; renewals after two weeks are almost always acceptable unless someone has requested it.

Archives

A new project has been undertaken to ensure complete and proper archiving of the church historical materials. Guidelines will be provided. Volunteers who may be available during the day or on weekends are encouraged to contact us.

Board of Directors

The Board is elected annually by the Congregation to provide leadership in all aspects of the church community. New members for the Board are proposed by the Nominating Committee. Any Congregation Member may attend a Board

meeting except for the portions of meetings that may be in-camera.

Campus Planning Committee

This Committee focuses on issues affecting the long-term development of the Church campus. New members interested in participating on the committee or on a specific project or issue are welcome. Examples of working groups include: community zoning and development issues; campus site plan review and revision. Meetings are held on an ad hoc basis..

Communications Committee

The Communications Committee develops policy, assists in developing written and online materials for committees, and is responsible for the development of the congregational website, display spaces, online bulletin board discussions, brochures, flyers and advertising.

Emergency Preparedness Committee

The committee ensures the congregation can react appropriately to and survive an emergency, such as pandemic, fire, flood or ice storm.

Finance Committee

The Finance Committee, a Standing Committee of the Board, in co-operation with the Treasurer, oversees the financial affairs of the Congregation. Congregation Members may attend all its meetings and those interested in financial issues are welcome as committee members or as participants in ad hoc task groups addressing such issues as the Annual Budget or the performance of the Congregation's investments.

Lay Chaplaincy Committee

The Lay Chaplaincy Committee is responsible for overseeing the Lay Chaplaincy program; serving as the selection committee for lay chaplains; maintaining communication with the CUC regarding our Lay Chaplaincy program; ensuring that an annual review of chaplains is conducted; ensuring that chaplains reflect UU principles in their contact with the public; and providing support to the Lay Chaplains. The committee meets two or three times per year or more often if needed.

Lifespan Learning Council

Our shared vision is to promote learning for all ages as a fundamental spiritual practice in our community, with intention, willingness and forethought. The Council consists of representatives from all lifespan learning groups including RE/Children's Ministry, Our Whole Lives, Youth group, Young Adults, Adult Learning Committee, Seniors Program, Music Program, a Board Liaison person and the Director of Lifespan Learning. The Council meets 3 or 4 times a year to ensure that the congregation carries out its vision of learning and that Council members communicate and share information and decisions, collaborate, plan and evaluate learning opportunities for all ages that are offered by the congregation. The LLC plans to host at least one multi-generational event a year. The Council's perspective is based on the 12 Keys of a Lifespan Learning Community of the Canadian Unitarian Council. We hope to become an officially recognized Lifespan Learning Community of the CUC May 2010.

Membership Committee

We welcome visitors and newcomers, help people get connected to the Congregation, and guide new member applicants through the membership process. We staff the Welcome Table on Sunday mornings, help office personnel maintain membership records, assist the Minister with programs for people interested in joining, organize New Member Recognition Services four times per year, and act as Registrar for the Annual General

Meetings. Meetings: Every other month, except July and August.

Ministerial Support Group

The purpose of the committee shall be to assist the minister as requested. The minister may use them to help brainstorm solutions to problems or as a sounding board to consider new ideas. The minister may also request them to assist in time-limited projects. The committee will give the minister feedback from the congregation, but is not charged with resolving disputes or evaluations of the minister.

Nominating Committee*

Find and nominate Congregation Members for Board positions and assist in recruiting Members as chairs for major committees. Facilitate leadership development. Committee members, elected at the Fall Congregational Meeting, serve 2-year terms.

Personnel Committee*

The Personnel Committee serves to assist and advise the Board on approaches, policies and issues relating to organization structure and staff, including: job descriptions, working conditions, compensation, discipline, and interpersonal relations. Committee and project meetings are held as needed.

Planned Giving Committee

This working group is part of the Stewardship Committee. It encourages people to think beyond their annual pledges and contributions to plan a deferred gift of long-term benefit to the Congregation. We provide information how to plan giving through wills, life insurance, estate management, the duties of trustees, and more. Join our group or ask for information on leaving a legacy.

Property Committee*

We oversee the operation of the Major Maintenance Fund, which involves expenditures of more than \$1,000 as part of our mandate to keep our building and campus functional, safe, and beautiful. There are always opportunities for individuals to take on small projects such as minor repairs. Meetings: Monthly, September-June.

Sound Booth Operators*

This group operates the church's sound system for Sunday worship and congregational memorial services. Training will be provided.

Stewardship Committee

We develop and implement the annual pledge campaign, act as a resource for other congregational fundraising activities, and build on the Planned Giving program. The annual campaign requires volunteers.

Technical Advisory Group

We are undertaking the short term maintenance of the existing technical infrastructure of computers and networks and the analysis for future needs. If you have appropriate interests and skills, please contact us.

Outreach

Adopt-a-Riverbank Group

Our congregation has 'adopted' 3 kilometres of the Ottawa riverbank - from Woodroffe to Dominion. The river bank group is an informal collection of volunteers who cares for this section of the riverbank. Currently this means spring cleanup of garbage. Future plans could include a fall clean up and educational programs to promote the ecological health and

diversity of the river. The Ottawa Riverkeeper sponsors events and communicates among the various groups. See ottawariverkeeper.ca

Canada-Nepal Working Group

We are a group of people who work together to promote peace, equality and social justice in Nepal (www.cnsp.ca) and to inform and educate citizens of both Canada and Nepal about the need to support democracy and human rights in Nepal . We also provide counselling and advocacy for Nepalese immigrants and refugees in Canada and raise funds for The Women's Foundation of Nepal to assist them in their work (www.womenepal.org)

Denominational Affairs Committee

We make members of the Congregation more aware of Canadian Unitarian Council (CUC) and other denominational activities and issues by encouraging participation in CUC committees/task forces and in national/regional conferences and meetings and by recruiting delegates to represent the Congregation at the CUC Annual Conference and Meeting.

Environmental Working Group

We educate and lobby on environmental issues. We have been working with the UUA -- and now the CUC -- toward making our congregation, its building and grounds a "green sanctuary". We provide fact sheets, speakers and movie nights; collect petitions and letters to governments; contribute to Sunday services and Religious Exploration; sell organic items (including chocolate) as fundraisers; maintain the "Green Board" in Fellowship Hall; and lobby City Council on local environmental issues. Meetings: second Wednesday evening of each month.

GLBT Welcoming Committee

The Welcoming Congregation Group actively promotes the inclusion of gay, lesbian, bisexual and transgendered people in all their diversity in our church, and educates the congregation on related issues through workshops and other activities. We actively support our minister and workshop associates in providing GLBT-inclusive services. We foster outreach to other GLBT church and community groups and facilitate a Unitarian presence in the annual Ottawa Pride parade and related events. We welcome heterosexual allies in all our efforts.

Global Justice Working Group

We encourage our Congregation to deliberate on issues of social justice, advocate for social change, and join with other people of faith and goodwill. Individuals are encouraged to bring their social justice concerns to the group for discussion and action.

Mental Illness Working Group

Ancoura is a not-for-profit organization dedicated to establishing stable, affordable housing within supportive communities for persons living with a mental illness. Ancoura is supported by local faith communities. Our group sponsors congregational activities and provides information and education to increase awareness about mental illness. We promote healthy attitudes to remove the stigma of mental illness and advocate for specific actions that promote societal change on mental health issues. We hope to sponsor the opening of an apartment for three residents.

Poverty Awareness Working Group

We create awareness in the Congregation and take action on poverty and affordable housing issues. Specific actions include liaison with the Multifaith Housing Initiative (MHI), Pathways to education, the Parkdale Food Centre, and the Minwaashin Aboriginal Women's Support Centre.

Refugee Working Group

We facilitate the settlement of individual refugees and/or families. The tasks are many and include arrangements for housing, banking, schooling and health issues. Other activities can include arranging social activities, day camp registration, and securing furnishings for the families.

Social Responsibility Council

The Council provides co-ordination across the various social responsibility working groups. It is made up of the Social Responsibility Steering Committee (SRSC) and representatives from each of the working groups. The SRSC evaluates funding requests from the working groups and awards funds. Any group of persons in the Congregation, at least six in number, may propose a new group to pursue activities in keeping with the principles and aims of social responsibility. If approved by the SRSC, the new working group becomes part of the SRC family.

UN (United Nations) Working Group

We assist our congregation to learn about and participate in major United Nations issues such as: human rights, peace, equity, and the environment. We interact with the Unitarian Universalist United Nations Office (UU-UNO) in New York City; participate in the UU-UNO's annual Intergenerational Spring Seminar, encouraging participation and financially assisting youth attendees; encourage UN curriculum in our RE program; write articles for The Parkway Spire; undertake fundraising for international development projects and sell UNICEF cards and support UN Sunday services and denominational action programs. Meetings: Monthly, first Sunday.

Unitarian GoGos Working Group

This group works to raise awareness and funds in support of grassroots initiatives of grandmothers in sub-Saharan Africa, who are raising millions for children orphaned by HIV/AIDS. We are composed of congregants of the First Unitarian Congregation and other community members. The GoGos range in age from 30 to 80 and welcome new members - men too!

Self-Improvement

Arts Night

Arts Night is held on the last Friday of each month from September to June, except for December. Three invited guest artists from the literary, visual, and musical arts speak and demonstrate or perform for about twenty minutes each. They showcase their art and share a meaningful description of the art, science, and spirit and passion of their particular art form, and what has brought them to this place in their lives. There is time for audience participation, discussion with the guest artists, and socializing.

Empower Dance

The Empower Dance Group meets each Wednesday night at 7:30 to 9pm. Everyone welcome. Participants are encouraged to bring any genre of music that they wish to share with the group. We put on the music and dance free style, stretch or just meditate to the "beat".

Meditation and Contemplative Practice Group

This weekly meditation group includes instruction in the traditional mindfulness form adapted for contemporary situations. Everyone is welcome to join us and continue with whatever you practice. Short readings on meditation practice (not doctrine) will be briefly discussed. On the first week of each

month, the minister will lead a program of contemplation and discussion on a series of themes. The intention is for the evening to be helpful and entirely suitable for Unitarians.

Painters' Circle

We are a very friendly group of varied talents in different media, meeting on Tuesday mornings. We paint, look at each others work and encourage, no heavy critiquing, but if advice is asked for we discuss and come up with ideas. Some people have a lot of experience and exhibit, others are beginners. Coffee and tea are available and we also chat and get to know each other. This isn't a class; there's no tuition. It is for community building, so that you get to know painters within the larger community.

Reading for Growth

There are two Reading for Growth Groups. Both meet monthly in the afternoon - one on the second Monday, the other on the last Friday. Each group chooses its own book to review for each month. The books cover a wide range of topics such as politics, social issues, spiritual and religious thought and current events. The discussions are lively and informative.

Unitarian Women's Group

This is a group for women who want to learn more and talk about varied subjects such as travel and different cultures, women's issues around the world, fascinating and admirable women, women in religion, and issues of environment, money, politics, health, religion, and ethics. Programs include guest speakers, story telling (including some jokes), discussion, and an end-of-season lunch. The group's motto is: "We treasure our fellowship and common purpose". Meetings: biweekly, Thursday mornings, September-June.

UU Writers' Groups

These groups provide forums for writers to share their work with other writers, encouraging each other to write with praise and insightful, constructive criticism. There are no obligations. The groups encompass radically different writing styles and life concerns. What we read to each other is usually intensely personal and quite spiritual. Groups meet on alternate Tuesdays.

Women's Personal Growth Group

Taking care of the inner self is what this group is all about, to nurture the emotional and spiritual growth of participants. Sitting in a circle, we explore resources related to topics of interest, share our own experiences and learn from one another. The wonderful thing about this group is that we're informal, never stay strictly on-topic, and can trust that anything we share will stay within our group. Meetings are at 7:15 p.m. on the first Monday of each month (Tuesday if Monday is a holiday).

Yoga for Seniors and Everyone Else

Improve your flexibility in a relaxed setting! Everyone is welcome to join. Drop in on Friday, from 10:15 - 11:15 a.m. to try out our Yoga class.

Social

Bridge Group

This is social bridge for members and friends from September to May. We have players from beginner to expert and divide into appropriate groupings when we have enough players

Crafty Crafters - Knitters

This group welcomes knitters and crocheters who want to share their enthusiasm for the needle arts, have great discussions, and join occasional field trips. We learn new techniques, experiment with new materials and share our experiences. We knit, crochet,

needlepoint, and embroider interesting, fashionable, and useful items for the Fall Fair, for occasional special sales and for donations to meet community needs. Meetings: Wednesdays 10am to 2pm. We bring our lunches and make tea.

Men's Group #4*

Purpose: To discuss issues in our lives of a personal nature and other issues that affect us as men. Two-hour meetings. Currently the group would welcome several new members of similar interests. Meetings: Biweekly, Thursdays.

Neighbourhood Group: Centretown /Glebe /Ottawa South

Monthly (usually the fourth Sunday of the month) except July, August, and December. Meets at participants' homes for coffee and dessert and to hear a guest speaker with discussion afterwards. We also have a pot-luck dinner in September and June.

Neighbourhood Group: Riverside Park

We explore topics relevant to the interests and purposes of a Unitarian congregation, e.g. other religions, social justice issues, etc. Guest speakers bring specific knowledge and experience to each topic. Many meetings involve a guest speaker, usually followed by a question and answer period.

Voyageurs Men's Group*

A support group for men looking to develop their full emotional and spiritual potential. We have regular four hour meetings and semi-annual weekend retreats. Open by invitation only. Meetings: biweekly, Wednesdays.

Young Adults (aka The Noble Birds)

This a group of 18 to 30 somethings who enjoy spending time with other like minded folks. Our main focuses for the year are: community service, spiritual enlightenment (via a bookclub and OWL workshops) and trying to intergrate ourselves in to the church community at large. We also enjoy monthly social events, where food and conversation are usually ample.

Youth Group

The Congregation has a very active youth group for Grades 9 to 12 who participate regularly. One past event was an end-of-year retreat with camping and everyone had a great time. Through the year, we attend youth conferences in Eastern Ontario, Quebec, and New York State. Meetings: Sunday, usually during the service.
