No Love Without Risk

With Guest Minister Reverend Erika Hewett

Author bell hooks referred to love as a practice, not a feeling, and observed that “there is no love that does not involve risk.” On this Mother’s Day, we’ll join guest minister, Reverend Erika Hewett, to reflect on what it means to practice love, with all of its risk, in our personal relationships.

Sunday Service Announcements

If you would like an announcement made during the livestreamed Sunday Service, please email the Board of Directors at boardannouncements@firstunitarianottawa.ca by Friday at 10am. Do allow for time in case there are questions with regard to the announcement. Also note that announcements may need to be edited for length and that time-sensitive announcements may be prioritized.

New: Information about Your Sunday Offering

The offerings collected each Sunday help us to live into our values within this congregation and in supporting many good works beyond our walls by highlighting a community partner organization each month to share with. **During the entire month of May, our Sunday collections, unless marked towards your pledge, will be split 50/50 with our community partner, Flaming Chalice International.**

Flaming Chalice International supports refugees in East Africa and community-led development in Burundi. Through education, community-building, and support for vulnerable families, FCI empowers people to shape their own futures. Your generosity directly supports community-led change and the building of hope, opportunity, and resilience.

Children’s Religious Exploration

This Sunday, after Time for All Ages, we’ll go downstairs to continue our new Spring programs.

- In the **Rainbow Room** (ages 2-6) with Anusha, we will be reading “A Spring Walk” and exploring the gardens looking for spring blossoms.
- In the **Wonder Room** (ages 6-12) with Esther, we will be g about a Hindu source story called “The Mountains of Tibet” and making paper kites.

Our Whole Lives

Registered OWL participants will be starting our third workshop, *Body Boundaries*, at 10:30am in the Chalice Room.

Mystery Pals: The Garden

This May, we’re planting a little mystery! Garden Mystery Pals pairs a child or youth with an adult to exchange notes, drawings, puzzles, or small gifts—just like planting seeds and watching something grow. Each week, messages are shared through the Mystery Pal Post Office, and identities stay hidden until our Mystery Pal Breakfast on June 7, when all will be joyfully revealed! If you’ll be away one week, you can leave a note ahead

of time or email us and we'll deliver it for you. **Please make sure you can attend the June 14 breakfast—it's when the garden comes into full bloom!** Sign up at church, this Sunday.

- **Sign-Up Deadline:** *This Sunday, May 10*
- **Exchange Mystery Notes:** May 17 - June 7
- **Reveal Breakfast:** June 14

Caring Contacts are monthly volunteers who receive phone calls and emails when you wish to alert us to a need, a grief or a concern, or have a joy to celebrate. They prepare cards to be signed on Sundays, and try to ensure no one is forgotten, connecting people with appropriate help when requested.

Spring Free from Plastic – Replacing Plastics in Our Daily Lives

Do you remember the year 2022, halfway through the **Climate Action Focus**? The successes, the challenges, the outright failures of **Spring Free from Plastic** - our attempt to defeat the plastic scourge? Back in '22 we were all familiar with the **3 Rs of Waste Management: Reduce, Reuse and Recycle**, and we came to know that **Reduce** is the winning 'R'! **Recycle** was the mantra of plastics industry but should be the choice of last resort. **Plastic recycling just doesn't work that well.**

Our congregational evaluation pointed us to the addition of two new **R's: Rethink** to differentiate between necessity and desire; and **Refuse**, the turning away of all things plastic, which is sometimes doable, but may be difficult, if not impossible, in some situations. This year, we've added a sixth 'R', **Replace!** The idea is to replace that unending supply of plastic with something more ecologically friendly. So, what better way to celebrate May Day than to offer you a new plastics challenge:

Spring Free from Plastic '26: Replacing Plastics in Our Daily Lives!

With that in mind, starting **May 3**, for the entire month, we will have a table set up in Fellowship Hall after service and we ask you to bring and share **ideas**. Feel free to bring post-it notes, photos, or—best of all—items you've discovered that **successfully replace and reduce the use of plastics in your daily life**. Come visit, compare, and enjoy a great conversation!
