

Pledge & Contribution Chart Example ONLY

The Chart below shows an **example ONLY** Pledge & Contribution Scheme that is **objectively based** upon an individual's Income Tax Return Total Income (Line 150). The Chart displays the resulting Yearly amount corresponding to a % value range (1 - 5%) of the Total Income (Line 150). The Chart also shows the resulting Monthly and Daily amount for reference. A Pre-Authorized Chequing (PAC) Withdrawal arrangement would use the MONTHLY amount.

This Chart is intended as a guide and illustration ONLY.
